

UNITED FEDERATION OF PLANETS INTERNATIONALE

Who We Are

The United Federation of Planets Internationalé (UFPI) is a fan organization with one main purpose: The enjoyment of Star Trek® as an individual or family hobby. Members throughout the world are encouraged to share local Trek happenings through one easily accessible organization whose goal is to promote the concept of IDIC, Infinite Diversity in Infinite Combinations.

Local Chapters

Members can expand their involvement by joining the Operational or Correspondence chapter of their choice. Chapters are local area clubs which are considered fictional Starships or installations, where fictional rank and position are available along with many opportunities to meet other fans, participate in Trek/Social Activities and serve the local community. When you sign up, included with your membership packet will be a list of all of our chapters so you can find the one nearest you or, if there are none close by you, information on how to start your own! We've all dreamed of being a Starship Captain ... here is your chance. In addition as to include everyone if you are unable or choose not to participate in a local Chapter there is the Master Chapter Starbase Phoenix that all incoming members are assigned to prior the choosing of your local chapter.

Join for as little as \$6!

We all know that money doesn't go as far as it used to. With that in mind, UFPI has created the Subspace membership. For those of you who have Internet Access and \$6 (US), UFPI will send you our newsletter the Universal Translator, your membership handbook, Constitution and the Vessel Registry by e-mail. Your membership card and certificate will be the only item sent to you through the US Postal system. This Option requires a valid e-mail address where you can receive file attachments. If this option is not for you we offer Primary memberships starting at \$17 and all materials will be sent to you via the US Postal system.

What do I get?

As a new member, you will receive a starting membership packet containing a constitution, handbook, proof of membership, information on joining and participating in local chapters, and a subscription to the Universal translator. Another service available to you is the Quarter master, who provides T-shirts, UFPI Fanzines, and other Merchandise. Our Internet services department also provides informational web site and Listserv access to keep you updated on events and topics of interest to the membership.

Membership in UFPI is simple: Complete this application and mail it with your check or Money order payable in American dollars to:
